

Waco
Filtration Group®

**Your Filtration Solution Provider,
Offering Value with Choice.**

Who We Are

Waco Filters is the largest air, liquid, gas, HVAC, and dust collection filter distributor in the U.S. with 13 stocking locations throughout the U.S. and Canada. Waco's Filter Inventory Management and Solutions Program (FIMS) delivers hard dollar savings in filtration costs year after year through process improvements while delivering world class service levels.

Mission Statement

Waco Filters provides engineered process solutions that reduces customers overall cost of filtration and improves their profitability.

Value Proposition

Waco offers unsurpassed Service Levels, the most extensive list of Value Added Services in the industry, and most importantly, delivers hard dollar filtration savings for its customers. In the last three years Waco has delivered over \$25.8 million in documented cost savings, an annual savings of nearly 34.6%!

Waco is your one stop filter shop with over 700 manufacturing relationships to supply the filter you need. Waco offers choices with multiple vendors that customers know, along with our unsurpassed service and support.

Waco is part of Filtration Group's family of brands and has the ability to fulfill all of your filtration needs.
